

Biosis Research Pty. Ltd., one of Australia's leading consulting firms in both Cultural and Natural Heritage management and impact assessment, is seeking to appoint one permanent full-time Cultural Heritage Research Assistant in our Melbourne Office.

Biosis Research has undertaken many natural and cultural heritage projects throughout southeast Australia and employs a highly experienced multi-disciplinary team that includes Archaeologists, Zoologists, Aquatic Ecologists, Botanists and GIS Operators. We have offices in Melbourne, Sydney, Ballarat, Queanbeyan and Wollongong.

Our Melbourne office is located just south of the CBD within the fast developing Port Melbourne area. This provides access to all the services of Melbourne without the hassle and costs of traffic and parking.

Cultural Heritage Research Assistant

We are seeking highly motivated and organised individuals who will be working with our archaeological consultants. Responsibilities include assisting the Cultural Heritage consultants in collecting & collating background information for projects, field surveys, proposal writing, data gathering & analysis, and report writing.

The successful applicants must hold a minimum qualification, BA (Hons), BSc (Hons) or equivalent, preferably majoring in Archaeology. Previous consulting experience is not essential. Competency with computers and a current manual driver's licence are a must along with a keen desire to be part of a team of specialist consultants.

We offer a modern fully equipped working environment, the opportunity to work with highly experienced consulting and support staff, and an established mentoring and professional development program

We will offer a starting salary commensurate with the level of experience of the successful applicant. All employees participate in a profit share program.

A position description is available upon request or from our website. Please visit our website at: www.biosisresearch.com.au

To apply, please forward a copy of your resume with a covering letter that highlights your relevant experience, to:

Aaron Harvey, Melbourne Resource Group Manager, Biosis Research Pty. Ltd., 38 Bertie Street, Port Melbourne 3207 or aharvey@biosisresearch.com.au Applications will close on Monday, February 1, 2010.
